Title: Quality System Audit Feedback Report.

Form Numbers: FAA Form 8100-7.

Type of Review: Renewal of an information collection.

Background: In accordance with Executive Orders 12862 and 14058, and as part of the FAA and industry continuous improvement efforts for QSA activities, FAA utilizes a form for auditees to provide feedback to the FAA about the conduct of the QSA. FAA Order 8120.23, Certificate Management of Production Approval Holders, provides guidance on the QSA and related activities and discusses FAA Form 8100-7, QSA Customer Feedback Report. The FAA provides FAA Form 8100-7 to the facility being audited at the outset of the QSA. The FAA encourages completion of the form within 30 days of the QSA post-audit conference; however, completion of the form is not mandatory. The FAA considers any proposals for improvements to the QSA process in its pursuit for continuous improvement of the Aircraft Certification Service's certificate management of production approval holders. The form is collected electronically or via prepaid self-addressed envelope.

Respondents: Approximately 160 production approval holders and associated facilities.

Frequency: Feedback information is collected about 30 days after conclusion of the oversight activity. The feedback provided is voluntarily submitted by the audited facility on occasion which is predicated on their audit due date frequency.

Estimated Average Burden per Response: 30 minutes.

Estimated Total Annual Burden: 80 hours.

Issued in Oklahoma City, Oklahoma, on May 9, 2022.

Scott A. Geddie,
Manager, Compliance Systems,
Systems Policy Branch, AIR-630,
Policy and Innovation Division.
